Why Waste Everything Smoking Tobacco?

W-WEST - Who are we?

W-WEST (Why Waste Everything Smoking Tobacco) is Scotland's first pro-choice smoking information group led by and for young people.

W-WEST Group members at the W-WEST launch in June 2009

W-WEST is here to give you information - but it's your choice! You decide what to do with it! We raise awareness about smoking and how it affects people.

Some of us are smokers and some of us aren't, we are just a group of young people here to tell you about smoking and smoking issues!

W-WEST Group members at the launch of 'The Plain Truth' Campaign, May 2010

W-WEST was officially launched in June 2009 and since then we have developed our own fun and interactive website and campaigned on issues relating to smoking and the tobacco industry.
